Christopher Yang Dental – Patient Financial Agreement

Oral health is the foundation of our relationship and we strive to provide outstanding care for our patients.
We offer the following agreement and payment options.

For our patients with dental insurance:

We will gladly verify your dental benefits and process your primary and secondary insurance claims with the following agreement:

- Your dental insurance is an agreement between you and your insurance company.
- All patient copayments and/or patient portions are only an estimate. They are not a guarantee of payment.
- As part of your contract with your insurance company, you are responsible for all out of pocket portions/copayments and deductibles.
- Insurance payments not paid after 45 days of billing will become your complete responsibility and must be paid in full.

For our patients without dental insurance:

Payment in full is due at the time of service, unless arrangements have been made prior to your scheduled appointment. Financing is available upon request. Please ask our office if you would like more information.

Our office honors fees for 6 months after a treatment plan is given. If any treatment has not been completed within 6 months, our fees are subject to change to the most recent fee schedule.

Statements/Finance Charges:

All patients with an outstanding balance will receive monthly statements. Balances older than 60 days are subject to collection fees and interest charges of ***1.5% per month***. We realize that temporary financial problems may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance.

Payment Options:

For your convenience, we accept cash, check, Visa, MasterCard, Discover, American Express, HSA/FSA, and CareCredit. There is a $35 fee for any checks returned due to insufficient funds.

CareCredit is available to help with patients finance larger dental or orthodontic cases. No down payment is required and payments can be made up to 6 months with no interest.

Missed appointments or short notice cancellations:

We understand that illness or other problems can occur (sometimes without any warning), we will not charge you for your first missed or cancelled appointment. In the event a second appointment is missed or cancelled with less than 24 hours notice or no notice, a fee of $35 charge may be billed to your account. Please help us service you better by keeping scheduled appointments.

I understand my financial options and that I am ultimately responsible for all charges incurred for dentistry performed upon myself or my dependents in this dental office regardless of insurance benefits. In the event my account becomes delinquent, I will be responsible for any collections, legal fees, and any other charges incurred to collect this account. I authorize Dr. Christopher Yang DMD and/or any provider of services in this office to release the information required to secure the payment of benefits. I authorize the use of this signature on all insurance submissions. I understand the financial agreement terms and policies and agree to follow them.
